The Real Powers Behind President Barack Obama By Karen Hudes

Tuesday, December 31, 2013 8:02 (Before It's News)

From Karen Hudes Facebook page:

Barack Obama is truly not the President of the United States. He is not a powerful person at all. Rather, he is a front man for more powerful entities that hide in the shadows.

The real power in the world is not the United States, Russia, or even China. It is Rome. The Roman Catholic Church (Vatican) is the single most powerful force in the world.

However, the Vatican has been under the control of it’s largest all-male order, the Jesuits. The Jesuits were created in 1534 to serve as the “counter-reformation” — the arm of the Church that would help to fight the Muslims and the Protestant Reformers. However, they fought with espionage. The Jesuits were expelled from at least 83 countries and cities for subversion, espionage, treason, and other such things. Samuel Morse said that the Jesuits were the foot soldiers in the Holy Alliance (Europe and the Vatican) plan to destroy the United States (Congress of Vienna). Marquis Lafayette stated that the Jesuits were behind most of the wars in Europe, and that they would be the ones to take liberty from the United States.

The head of the Jesuit Order is Adolfo Nicholas. His title is Superior General of the Jesuits. The use of the rank “general” is because the Jesuits are, in reality, a military organization.

Nicholas, as the Jesuit General, is the most powerful man in the world. He ultimately issues the commands that are administered by drones like Obama.
The Jesuit General is nicknamed “The Black Pope” because he always wears black robes. Pope Benedict XIV is, thus, the “White Pope”.

Directly under the Jesuit General is Fr. James E. Grummer, S.J. — one of the five Jesuit priests who serve as direct “assistants” to the Jesuit General. Grummer is his American assistant, and controls the US Jesuit Conference. He is the controller of every American Jesuit university and every American Jesuit Provincial. The New York Provincial has the most contact with Grummer (as the top provincial).

Under Grummer is the President of the US Jesuit Conference, Fr. Thomas H. Smolich, S.J., who was the Jesuit Provincial of California during the reign of Governor Arnold Schwarzenegger. Smolich was the power behind Arnold during these years. Smolich is a key force behind the planned Sino-Soviet-Muslim invasion, which the Jesuit Order is planning to use to bring down the United States. He is also actively involved in the orchestration of the Chinese-Mexican invasion.

Under Smolich is Fr. David S. Ciancimino, S.J., the Jesuit Provincial of New York. He is the top Jesuit Provincial in the United States, as New York is the capital of the Jesuit Order’s power (that’s why it was chosen as the staging area for 9/11). Here, Ciancimino (and the Jesuits beneath him) control Wall Street, the NYSE, and the Federal Reserve Bank. Ciancimino controls Archbishop Timothy Dolan, the most powerful Roman Catholic official in the United States who is not a Jesuit. Ciancimino is an occultist, as are many other top Jesuits.

Directly under Ciancimino is Fr. Joseph M. McShane, S.J., who is the President of Fordham University — the Jesuit college of New York, and the Jesuits’ military stronghold there. It is through McShane that the Jesuits (led by Ciancimino in New York) control Archbishop Timothy Dolan. He has become known as the “penholder” for Dolan. He wears a decorative necklace that features an equilateral triangle, a Masonic symbol of the Risen Horus.
Under the control of these powerful Jesuits is Pope Benedict XIV, the Vicar of Christ (Horus) and the current Roman Papal Caesar. He represents Osiris in mystery-school/occult mythology.

Below Pope Benedict XIV is the Timothy Dolan, the Archbishop of New York. Dolan is the “American Pope” and the “Archbishop of the Capital of the World”. He heads the American branches of the Knights of Malta and Knights of Columbus. He is a likely occultist and the controller of American Freemasonry, the CFR, the ADL (B’nai B’rith), the Pentagon, and the intelligence community.

Joseph A. O’Hare, S.J. is the President Emeritus of Fordham University and the man directly under Egan. He is a Knight of Malta and has presided over CFR meetings as Egan’s operative. He is an adviser to David Rockefeller (Knight of Malta), Henry Kissinger (Knight of Malta), and Mayor Michael Bloomberg of New York. He is, thus, the Jesuit who directly controls the city mayor. He is also the Jesuit who controls the Rockefeller-Kissinger apparatus, of which the CFR is a key part.

O’Hare is a devoted Zionist who supports the State of Israel, which was created in 1948 by the United Nations (UN) — a creation of the Archbishop of New York’s Council on Foreign relations). It was Archbishop Francis Spellman of New York who solicited votes at the UN for Israel. Spellman played a key role in Israel’s founding. The founder of Zionism was Theodor Herzl, who had frequent meetings with the Pope and had once planned to lead the Jewish people in a “mass conversion” to Roman Catholicism. The true designers, financiers, and promoters of Zionism are the Rothschilds, who Encyclopedia Judaica describes as “guardians of the papal treasure”. That’s right — the Rothschilds are the banking agents of the Papacy. The State of Israel is just the revived Latin Kingdom of Jerusalem, and it’s under the Vatican’s thumb.

Below O’Hare is John J. DeGioia, the President of Georgetown University. DeGioia is also a Knight of Malta and a member of the CFR. He is one of the overseers of the State of Israel.

Below DeGioa, we find Richard N. Haas — the Chairman of the CFR. Haas is ultimately simply a lowly agent of Archbishop Egan. Haas is a Jewish Labor Zionist and oversees the American Israeli Public Affairs Committee (AIPAC). These Jewish Zionists are mainly just Papal Court Jewish people.

Below Haas is Zbigniew Brzezinski, who was a member of the CFR, Bilderberg Group, and Trilateral Commission. Brzezinski had co-founded the Trilateral Commission. He was a Knight of Malta, as was the other founder of the Trilateral Commission - David Rockefeller. Brzezinski is a Polish Roman Catholic and an adviser to Georgetown University.

Brzezinski was Soetoro’s professor at Columbia University, and recruited him for presidential grooming. Are we beginning to see the big picture?

Once Brzezinski created “presidential candidate” Obama, his campaign was financed and promoted by the multi-billionaire behind hundreds of organizations on the “political left” — George Soros.
Soros was a high-ranking CFR member and a member of the Carlyle Group, an international corporation that served as a front for the Vatican. Soros, a Hungarian Jewish, was a strong socialist-communist (like Brzezinski). Like Haas, Brzezinski was a Papal Court Jewish and a Labor Zionist. He is also a Freemason. He is a friend of Rupert Murdoch. Soros is a major stockholder in Halliburton.

Murdoch is the protector of Obama, controlling his opposition. Murdoch was knighted by the Pope in 1998 for making large contributions to the Roman Catholic Church. He has said that his corporation - News Corp - is “just like the Jesuits” while speaking at Georgetown University. Murdoch is a member of the CFR.

Joseph R. Biden is the Vice President, and is directly under the Vatican’s big-wheel operatives (Soros and Murdoch). He is Roman Catholic and has been honored at two Jesuit universities. His son is a Jesuit volunteer and a lobbyist for a Jesuit university he attended.

Under the guidance of Biden, we find Barack Obama, a 32nd Degree Freemason who has been trained in Romanism.

——

I always wondered how much sway the Vatican still has in the year 2014. They use to be an obvious powerhouse. Kings and Queens bowed before the Pope and did what he told them to do. That is just not the case anymore. Even within the church itself, power dwindles. Scandal, abuse and a lack of faith has been eating the church, and every church in every religion, from the inside out. And since when did Freemasons and Catholics get along? Conspiracies are funny like that.. Keep in mind, Protestants have never liked Catholics. -Mort

Side note: When contacting the Holy Father, people should be advised to NOT place the word ITALY anywhere on the envelope. If they do this, the mail is re-routed because the Vatican is its own nation and Italy is of course completely separate, especially as it has to do with postal mail. Italy is notorious for mis-routing mail addressed to the nation of Vaticano. Just thought you might like to know.

Welcome to our House!
Dear Visitor,

It’s a pleasure to welcome you to our Roman Curia, where I live and work with my collaborators to serve our fellow Jesuits throughout the world and all those people with whom and for whom they share their lives.

More than 470 years ago Saint Ignatius Loyola started with his first companions this “little company” as he used to call it. Today, Jesuits are sent to the edge of humanity and involved in apostolic ministries on all the continents of our world.

When you visit our Curia, you will meet people from across the entire globe, having a large variety of responsibilities. I am very grateful that they have accepted the role of being my colleagues in the mission I received during the last General Congregation in 2008 to lead the Society of Jesus.

The purpose of this website is assist you in meeting the people working at the Curia and locating the information you are looking for. As you make your way through this “house with many rooms” I hope you find what you desire.

Adolfo Nicolás S.J.,

What is a Superior General?

Since Saint Ignatius was elected as Superior General of the Society of Jesus in 1540 and as he wrote the Constitutions of his Order, the Superior General has always been elected for life by a “General Congregation” of Jesuits, representatives of their provinces around the world.

The mission of the Superior General consists in guiding the Order, according to the Constitutions and Norms and the Guidelines of the General Congregations.

The two last Superior Generals, Frs. Pedro Arrupe (1965-1983) and Peter-Hans Kolvenbach (1983-2008) have asked and received permission from the pope to step down as Superior General.

Profile of Father Adolfo Nicolás

1936/ born on April 29 in Villamuriel de Cerrato (Palencia province), Spain, about four miles from the capital city Palencia. The third of four brothers (Antonio, Félix, Adolfo and José), his father Adolfo originated from the province of Burgos and his mother Modesta hailed from the small town Villalaco in the Palencia province.

1940/ His father, a military professional, was transferred to Barcelona. There Adolfo attended the Jaime Balmes Institute for his 1st year of high school [a seven year program at that time in Spain]. He did his second and third year
at the Christian Brothers school in Barcelona. In 1949 he did his fourth year of high school at the Minor Seminary of Saint Joseph that the Jesuits of the Tarraconense Province ran in the town of Roquetas del Mar.

1950/ his father was transferred to Madrid; Adolfo completed his remaining three years of secondary education at the Jesuit's Areneros high school, graduating in 1953 with the highest distinction the school granted.

1953/ on September 15 he entered the Jesuit novitiate in Aranjuez in what was then the Province of Toledo. His philosophy studies were completed at Alcala de Henares, obtaining in Ph.L. in 1960. He then left for Japan for language studies.

1964-68/ he studied theology in Tokyo and was ordained priest there on March 17, 1967.

1968-71/ he completed his doctoral work at the Gregorian and wrote his doctoral dissertation, Theology of Progress.

1971/ he became a Professor of Systematic Theology at Sophia University in Tokyo.

1978-84/ Director of the Pastoral Institute in Manila, Philippines. This Institute was formed after the Vatican II to work on aggiornamento - the renewal of the Church - and has had wide influence in the theological renewal of all of Asia. Asian bishops and novice directors received their formation there.

1993-99/ Provincial of Japan and in that capacity he attended GC34 in 1995, where on the first ballot he was elected secretary of the congregation.

2000-03/ he moved to a poor parish of immigrants in Tokyo. He was able to help thousands of Philippino and Asian immigrants, in the process gaining a first hand experience of their suffering. In this way his love for the poor and oppressed became his most important ministry.

2004-08/ he became Moderator of the Jesuit Conference of East Asia and Oceania. This means that his area of responsibility extended from China to the South Pacific and Australia. During these years, Fr. Kolvenbach made Vietnam into a new Province.

2007/ he served as a member of the Coetus Previus (preparatory commission) of GC35

2008/ on January 19 he was elected Superior General of the Society of Jesus.

**The Secretariat for Collaboration with Others**

The mission of the Society of Jesus in the 21st century is “the service of faith that does justice in collaboration with others”. In this context, the Society envisions collaboration with fellow-humans across cultures, religions and nationalities to be a new way of being Jesuit.

The ease of digital communication, jet travel and the ongoing encounters of cultures, necessarily shrink frontiers and internationalize societies. We re-discover our common roots as human beings while celebrating our diversities. We become more present to one another and claim kinship and fellowship.

The newly created Secretariat for Collaboration affirms the value of Jesuit collaboration with fellow-Jesuits, as well as with all women and men of good-will. We believe the globalized world confronts us with the challenge of collaboration since Jesuits are both “men for others and men with others”.

Be our partner in this exciting enterprise!

Communities and Apostolic Works in Rome

Besides the houses and activities of the Italian Jesuits, there are in Rome several large institutions and communities at the service of the Church universal. They depend directly on the Superior General of the Society of Jesus and are governed in his name by a Delegate who is a Major Superior. Currently Father General’s Delegate for these apostolates is Father Joseph Daoust.

The recent 35th General Congregation (2008) declared that the interprovincial institutions in Rome are among the five global apostolic preferences of the Society of Jesus requiring ‘special or privileged attention’ as ‘a special mission received directly from the Holy Father’.

The following are the Houses and Works that form together what are commonly known as the ‘Inter Provincial Roman Houses’. In latin ‘Domus Interprovinciales Romanae’ [DIR] :

**Fr. Gabriel Ignacio Rodríguez**
(Colombia Province, Born: 1952)
*Regional Assistant for Northern Latin America.*
Regional Assistants

After his election at the 35th General Congregation (2008) Father General appointed 9 Regional Assistants from a list, provided by the Congregation.

These “Regional Assistants” help him in the governance of the Society of Jesus and have a responsibility in a (territorial) Assistancy.

Assistancies

There are nine assistancies:

AFR: Africa

ALM: Southern part of South America
(America Latina Meridionalis)

ALS: Northern part of South America
(America Latina Septentrionalis)

ASM: South Asia (Asia Meridionalis)

ASP: Asia Pacific
Role of the Regional Assistants

The Regional Assistants help and support Father General in his decision-making. Each one is responsible for the oral and written communication with the provinces of his Assistancy).

The entire governance structure of the Society of Jesus is based on a continuous flow of information and extensive consultations.

Each and every decision is based on the reports received from local Superiors, brother Jesuits, lay collaborators as well as the provincial’s personal knowledge of every Jesuit and apostolate in his province.

Decisions to call a man to ordination, to final vows, appointments of Superiors and Directors of Apostolates all follow this careful decision-making process.

How to reach the Curia from Roman Airports?

The primary Rome airport is Leonardo Da Vinci (Fiumicino) in Fiumicino. This airport is more often referred to as Fiumicino than by its formal title, Leonardo Da Vinci. Most international flights arrive in Fiumicino. The secondary airport is Ciampino airport (CIA).

From Fiumicino to the Curia

By bus

From Fiumicino Airport, take a white "SET Bus Shuttle" to Ostia Termini. The bus stop is at the "exit" (arrival) of Terminal 3, after the pedestrian crossing leading to the parking lot. Tickets can be bought on the bus. For more information, www.setbus.it.

From Ostia Termini walk to Ostia Antica. After walking Via della Pace, you will be at the entrance of the Terra Santa entrance.

By train

At Fiumicino Airport, go to the train station and buy a ticket to either Ostia Termini station or Rome Termini station.

Via the train station Termini (Stazione Termini)

1. The express train to Stazione Termini (called Leonardo Da Vinci) Express) goes to the main train station without stopping between the airport and the station. The nine takes about 30 minutes and costs €14. You have to validate your ticket before picking up the train. The train arrives at Terminal 3 of Stazione Termini. Please walk along the left, and then right to the station.

2. Go to the main train station (see above the Stazione Termini), and take the Number 40 express bus (which runs frequently). You must buy a bus ticket to S. Pietro. If you are on the bus, validate it at one of the orange machines. Take the Number 40 express bus until the very last stop.

3. When you get off the bus, walk back to the Via della Pace. Continue straight and turn left at Stazione Termini. You will see another bus stop on your left. Take the small green and white bus (via Condorino). At the next stop, get off and turn right to the main train station.

Via the train station Trastevere (Stazione Trastevere)

1. The first train departs from the track on the left (in you walk towards the station). This second train is called "Grande Express" at Fiumicino Termini 3, Tnoro metropolitan for Ottaviano or Fiumicino (sometimes this service does not run going to Ottaviano). This train costs €8.90 and is not available at the regular train. You have to validate your ticket before picking up the train.

2. Get off at Stazione Trastevere (after 23 minutes). The stop is immediately before Stazione Trastevere Villa Borghese.

3. From Stazione Trastevere:

Take another train direction Trastevere or Cennina (two different places) and get off at the train at Ostia San Pietro. Then, from Ostia San Pietro walk to the Curia through Piazza San Pietro (where you can see the church of Santa Maria). You do not need any other ticket.

From Ciampino to the Curia

Two options for getting to the Curia:

1. Take a direct bus (ATM, Termini, MT) from Ciampino to Ostiense/bus stop. From Ostiense, take another bus Number 40 express bus.

2. Take a taxi (Ostiense, MT) from Ciampino to Ostiense, take another bus Number 40 express bus.
